Then start with the thumb wedge:

1st round: 1 yarn over, knit 2 sts, 1 yarn over, then finish the round

2nd round and all even rounds of the thumb wedge: all yarn overs in garter stitch, knit all other stitches

3rd round: 1 yarn over, knit 4 sts, 1 yarn over and finish the round in knit sts

4th round: 1 yarn over, knit 6 sts, 1 yarn over and finish the round in knit sts

Continue knitting in this way with 1 yarn over on each side of the picked up sts until a total of 14 sts have been picked up and there are 16 sts in the thumb wedge. Fasten off the 16 sts of the thumb wedge in the next round and continue knitting stockinette in round.

Pick up 2 new sts behind the thumb wedge and continue in stockinette stitch for 2 cm. Then continue knitting 2 cm in pattern 1 or 2, bind off and sew, finished.
